GUARDIAN/MEMBER PROJECT EXPECTATIONS AGREEMENT
(back page of Skagit County Horse Project Handbook)

Member

Name: _____ **Club:** _____

Our County and State events are planned, managed, and staffed entirely by volunteers. Volunteers are usually Horse project leaders, alumni, members of the horse community, parents, friends, and relatives of horse project members.

It is expected that a parent, guardian, or other responsible adult associated with each member that is participating will provide support at horse project events. The intent of this is to set an expectation of volunteer service for the Horse project, as well as to facilitate smoothly-run events. Parent/adult representative participation is expected and is vital to a 4-H member's success. Each member needs an advocate and a support system!

Leaders should make parents aware of this expectation.

Leaders need to have a relationship with members and families. It is difficult to make a project, with as broad a scope as the Horse project, be successful if there is not a Leader/Member/Parent (adult) connection.

I have read, understand, and agree to the Skagit County 4-H Horse Division Handbook
